

February 2020

Whiffletree Newsletter

It is a new year in Whiffletree. We hope everyone had an enjoyable holiday season and is looking forward to spring!

- Winter Social was held at Napoli's Italian Restaurant on January 27. 102 Whiffletree neighbors enjoyed delicious Italian food and the opportunity to socialize with many of their neighbors.
- The project to replace the screening brick wall facing Legacy Drive is now scheduled to start in April, although it is possible that this start date may slide due to weather. We will communicate schedule updates as they become available. See Whiffletree HOA website for more information about the impact of the project (<https://www.mywhiffletreehoa.com/>).
- March 1 is the start of Whiffletree HOA annual membership drive. Annual dues remain at \$120/household. Please note that there will now be an additional \$4 fee to cover the added expense for online payments completed through the website. Dues paid by check will still be \$120. Membership materials will be sent to all Whiffletree residents in the next few weeks.
- New fiscal year starts April 1. Board elections will take place at the annual meeting to be held at Davis Library in early April. We will communicate the schedule and slate of candidates for board position once they are finalized. If you would like to get more involved in Whiffletree activities, we would love to hear from you. Contact Jim Skelly at jimskelly15@gmail.com if you would like to get involved. We can discuss options that would fit with your family and work commitments.
- Whiffletree HOA is participating in an event with Estates of Forest Creek (EFC) HOA. EFC has contracted with a document shredding company to station a shredding truck at Mathews Elementary on May 16, 9-11 AM. All paid Whiffletree HOA members will be able to safely and securely dispose of important documents at this location. More information to come as we get closer to this event.

FYI, the majority of your WHOA dues support our four neighborhood entrances with seasonal plantings, landscape maintenance and holiday decorations. We also hold a number of events every year to provide our dues paying neighbors with the opportunity to socialize with their fellow Whiffletree residents. WHOA exists for the benefit of all residents. Your support is important and appreciated. We welcome your input and engagement.

As always, feel free to contact me if you have any questions, comments, and/or suggestions.

Jim Skelly
